

Miscellaneous Short Field Trip Notes

2007

Fleischmanns 5/11/94
with Regina Fink

Black birch on N slopes, Fleischmann Mt. 5/16/94
Chris Carey, Regina Fink & Ellen Schneider

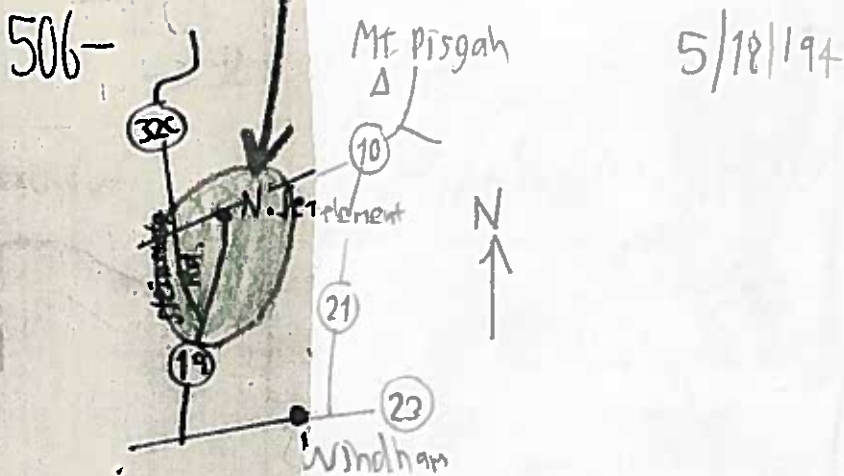

✓ No Shagbark hickory - reported along old farm road but not found: RMBC + DST with shaggy bark instead.

One **BB** about 10" DBH observed in flower but no leaves yet. Elev. ca. 1750'.

BP Balsam poplar clone including several trees to 18" DBH. DBH + many young sprouts. Estimated age 75 years. Planted or native (??) initially. Elev. 1840'

Juniperus virginiana in this region

Emory Brook above Fleischmanns, below + above the powerline, is in a bedrock hemlock glen with waterfalls (low), rapids. c/o Regina Fink & Ellen Schneider?
