Change
inslope

Several
scattered patches
of fir

#11460 → 5 photos taken from 4.0 miles (before county line), beginning film
 #11464 } Two photos taken of Eagle from the old Kemlock
 #11467 & 11468 } 0.1 mile past Stewart's turn

roll #1
2008

#11465
& #11466

Two more Double top photos taken from
near the big willows just past the
beaver dam

Snow cover accentuates hdwds vs. fir forest.

Recorded info
on Brook file

Take Rosa has a sign up on SE corner
of Wranonco Road for a logging operation.
Skid road comes down into the field from
the SE. (No photo) 3/30/08
